To Whom It May Concern

Wardkiss and Kansai Plascon are proudly associated

We hereby proudly certify that Wardkiss has been a Plascon exclusive customer for over 100 years supplying paint to the KZN market.

Wardkiss has now entered the fray of paint contracting (supply and apply) with a top-quality painting crew under the leadership of contracts manager, Ivor Funnell. Ivor has successfully completed projects like SMD Group – Ballito, Virgin Active – Ballito, Ilala Views – La Lucia, Lifestyle Centre – Ballito, Zimbali Suites – Zimbali and more recently Ocean Dunes – Sibaya, to mention a few.

Wardkiss is also a registered paint distributor and applicator with Plascon

We are excited about Wardkiss' new venture into paint contracting and have no hesitation in recommending the organization and the people behind Wardkiss.

Yours faithfully

AP Andries Pretorius
