The Paint Club, a local specialist paint buying group and sole route to market retailer for Plascon, was started by paint experts for consumer and contractor segments alike. With great service, expert advice, competitive pricing, market-leading brands and products that are always in stock, we're the first choice for local businesses and individuals alike.

As a proud member of the group, we hereby certify that Wardkiss and The Paint Club have an association spanning more than 10 years.

We stand behind Wardkiss new paint contracting division and highly recommend the new Wardkiss paint contracting team for your next project.
